Work Experience

Booz Allen Hamilton (2009-Present)

Graphics/Multimedia Team Lead:

Veterans Affairs training graphics and animation: Project manages and creates animations for VA Virtual Campus live and on-demand events, reviews and advises graphic and storyboard walkthroughs, creates branding and templates for presentations and animations, composes graphics and animation catalogs, manages regular graphic meetings with a team of graphic artists and animators, and coordinates the production of video webinars.

Graphics/Multimedia Developer:

Web based training: Created graphics, page layouts, PDF certificates, illustrations, icons, and multimedia interactions and animations.

Educational packages: Designed instructor led training materials, technical illustrations, info graphics, student workbooks, CD covers, slick sheets, posters, presentation materials, slides, brochures, final reports, pamphlets, logos, flyers, and interactive webinars for a multitude of clients.

US Navy (2004-2009)

Mass Communications Specialist:

Naval Support Activity Philadelphia: Developed graphics, content and layout for the command and safety newsletters. Created graphics for presentations, printed materials, posters, fliers, signs, and the base website. Coordinated the on base American Red Cross blood drive.

Illustrator/Draftsman:

USS Saipan: Designed graphics and layouts for commissioning packets, created fleet wide award-winning awareness posters, operation logos, certificate designs, the ship's decommissioning coin, a farewell tour Flash video game, the ship's decommissioning book, and all other graphic and printing needs of the ship. Cast member of USS Saipan's "Daily Update" site tv news team, and major contributor to program concepts, filming, and production.
